

**12<sup>th</sup> Course on “Data Management and Panel Data Models”**  
**&**  
**6<sup>th</sup> Course on “Advanced Dynamic Panel Data Methods”**

Universidad de Salamanca, Salamanca, Spain  
July 9–13, 2018 and July 16–18, 2018

**12<sup>th</sup> Course on “Data Management and Panel Data Models”**

We are pleased to announce that, after the success of previous years, Universidad de Salamanca will organize the 12<sup>th</sup> course on “Data Management and Panel Data Models”. The speakers will be **Prof. Julio Pindado**, Universidad de Salamanca (Spain) and Leeds University Business School (The University of Leeds, UK) and **Dr. Ignacio Requejo**, Universidad de Salamanca (Spain).

This practical course is aimed at applied researchers that use econometrics methods as a tool in their works. The course will take place at Universidad de Salamanca, Salamanca, Spain, **July 9–13, 2018**. More information on the course can be found in the attached leaflet!

**Entry Requirements:** There are no entry requirements.

**6<sup>th</sup> Course on “Advanced Dynamic Panel Data Methods”**

We are also pleased to bring to your attention that Universidad de Salamanca will organize an econometrics course on “Advanced Dynamic Panel Data Methods”. The speaker will be **Prof. Jan F. Kiviet**, Emeritus Professor of Econometrics at University of Amsterdam (The Netherlands), Visiting Professor at University of Salamanca (Spain) and Visiting Professor at Nanyang Technological University (Singapore).

The course is aimed at researchers working in the business and economics fields that want to improve their skills in econometrics. The course will be held at Universidad de Salamanca, Salamanca, Spain, **July 16–18, 2018**. More information on the course can be found in the attached leaflet!

**Entry Requirements:** It is recommended that participants have some previous knowledge on the econometric method, in general, and linear panel data models in particular (see leaflet for more details).

The two courses are separate activities, so you can choose to participate in just one event or join us for both. For those that decide to attend both courses, a 10% discount will be applied to their fee (see leaflets for more details).

**Looking forward to welcoming you soon to Salamanca!**

For additional details on both courses, please, go to the following link:
